

[nUSA] Elected POTUS Announcement

FEDERAL ELECTION COMMISSION PRESIDENTIAL ELECTION, SUMMER 2016

We would like to start off with complementing the American People for the voter turnout in this terms elections. It has been exceptionally high, higher than previous elections and this shows that the American People care about who runs their country. we would also like to compliment each of the candidates who participated in this terms elections. You have shown great admiralty to the country and we thank you for your candidacy.

We would like to thank the members of the FEPC, chaired by ikiled, and the members of the FEFC, chaired by Bob561 for their dedication and extremely efficient work, completing the filtering process in exactly one hour.
